GREATER WASHINGTON AVIATION OPEN

3213 Duke Street, #207, ALEXANDRIA, VIRGINIA 22314 • WWW.GWAO.ORG

Dear Friends of the GWAO:

We are celebrating the 21st Annual Greater Washington Aviation Open in a time of great challenge for the aviation industry. The strength and resilience of the aviation industry is indicative of your support of the tournament and our beneficiary, the Corporate Angel Network.

This year CAN celebrated the transportation provided to 31,000 cancer patients to treatment facilities. This is truly a remarkable feat for a small, primarily volunteer-supported organization. The GWAO tournament proceeds have served to provide nearly 20 percent of the operating income to CAN. In this respect, our success is important to their success. That is why we are so thankful to the tremendous support the GWAO has received for over 20 years from the aviation industry and, more important, from you this year!

We are deeply honored to have Bruce Whitman, President & CEO of FlightSafety International, as our Honorary Chairman. Bruce has dedicated his life to aviation safety and is co-chairman of the Congressional Medal of Honor Foundation. Bruce's focus on these important issues in our world has certainly made him an overwhelming favorite to lead the GWAO this year.

Our most generous sponsors this year at the Platinum level are ITT and FlightSafety International. Our Gold sponsor is Aviation Partners Boeing, and we welcome their first-time participation. We also wish to thank ALPA, AOPA, CAN, Cessna, Greeley Pond Technologies, Manhattan's Bethesda Auto, PNC Bank, and Safe Flight Instrument Corp. The support of these major companies goes above and beyond participation in the tournament, and we are truly grateful to them.

Thank you again for choosing to participate in the 21st Annual Greater Washington Aviation Open. We know you have come to enjoy yourself with your friends, colleagues, and peers as we all strive to help others in their time of need.

GOLF TOURNEY FORMAT

The GWAO will be played on the Robert Trent Jones II course at Lansdowne Resort. To ensure a fair and enjoyable tournament for everyone, a scoring system devised by the Lansdowne golf professional will be used to handicap each foursome. Tournament results will be announced during the awards ceremony following the Victory Reception.

It is important that all players post accurate handicaps. Teams with winning scores must be able to verify their handicaps using the official USCG computer system. Any determination that inaccurate handicaps or scores were submitted will be grounds for disqualification. It is important to remember that the GWAO is played for charity and fun. Past tournament champions are awarded an additional handicap. If you happen to play well and win . . . congratulations.

At the start of play, the golf professional will announce the method of play, and the rules will be distributed to all teams. This information also will include the long drive, closest to the pin, and grand prize hole-in-one hole. We are very pleased to have Manhattan's Bethesda Auto donate a beautiful 2009 XF Jaguar (two-year lease) for some lucky player.

We hope you have all purchased a mulligan prior to play. Mulligans may be used on any shot except the hole-in-one contest holes. No more than four mulligans may be purchased or used by a team. To keep the tournament moving along, please pick up your ball if you are putting or hitting for bogey on any hole.

The course marshals have been instructed to keep play moving. Your cooperation is appreciated.

TENNIS TOURNEY FORMAT

The tournament will be a doubles round-robin. A maximum of five sets will be played. Court rotation will call for the losing doubles team to move to the next court and switch partners with the winning team on the court. It is important to play with and against each player in the tournament at least once. No one should play with the same person twice until full rotation of all players.

The games won during each set will be posted on the scoreboard. Please post your scores promptly with the tournament director. The four highest-scoring players will face off in a seven-game singles format, with the first place playing the fourth, and the second playing the third place. The two winners will face off in a championship seven-game match, and the remaining two players will play to determine third and fourth places.

Shower and locker facilities are available to tournament participants throughout the day.

PAST GWAO HONORARY CHAIRS

2008	Jack Pelton	2001	Rep. Hal Rogers	1994	Rep. Norman Mineta
