

The 27th Annual
Greater Washington
Aviation Open

Charity Golf Tournament and Auction

May 11, 2015
Army Navy Country Club
Arlington, Virginia

Dear Friends and Patrons,

We are happy to announce Washington's premier aviation golf and charity event, the 27th Annual Greater Washington Aviation Open (GWAO), is moving to the Arlington, VA campus of the Army Navy Country Club on Monday, May 11, 2015.

For more than 25 years the GWAO has been the one event in Washington that has served to attract aviation industry leaders to the links for a day of friendship, camaraderie, and exceptional generosity.

This year we are very pleased to welcome Congressman Rick Larsen who will be joining us as the 2015 GWAO Honorary Chair. Congressman Larsen serves as the Ranking Member of the House of Representatives' Aviation Subcommittee, has been a strong advocate for aviation interests and recognizes the tremendous importance of aviation in the domestic and global economy. We look forward to giving Congressman Larsen a warm GWAO welcome.

This year we are also excited to offer a more convenient and spectacular location for the GWAO. The Army Navy Country Club in Arlington, VA has just completed a multi-million dollar renovation of its 27-hole course and expansive clubhouse and is the perfect place for us to continue the GWAO's long track record as the preeminent aviation charity event in the nation's capital.

As in years past, following an enjoyable day on the course, the GWAO Board of Directors is happy to host our annual Victory Reception and Dinner. While each year's tournament is different, two things remain the same—the generous support of our sponsors, golf and auction participants and our commitment to raise funds for deserving charities.

We have no doubt that this year's 27th Anniversary GWAO tournament will keep those traditions alive with a great list of silent and live auction prizes available and proceeds for the tournament once again supporting the Corporate Angel Network (CAN) and the Veterans Airlift Command (VAC).

Since 1988, the GWAO has raised nearly \$2 million for a number of deserving charities. We certainly look forward to your participation and support this year as we cross the \$2 million dollar mark!

The GWAO was fortunate to honor Boeing as our Diamond sponsor last year along with several other companies and associations who generously gave more than their Host foursome fee. Their support and that of our many other sponsors, continue to make the GWAO all that it is. We look forward to seeing you at the Army Navy Country Club on May 11!

Tournament Format and Fees

GOLF The 2015 Greater Washington Aviation Open will sell out. To ensure your spot in the 27th annual GWAO, please sign up for the tournament as soon as possible.

The format will be a shotgun start, scramble, limited to a reduced number of 216 golfers. Foursomes will be equally dispersed across all three newly refurbished “nines” to speed up play. Tournament hosts will form their own foursomes. Singles will be paired at the discretion of the tournament. It is important that all players register with an accurate handicap or average score to ensure competitive teams and an enjoyable tournament for everyone.

It is the team captain’s (host) responsibility to see that every member’s handicap is validated and posted on the scoreboard prior to the start of the tournament.

Only hosts will be listed under their corporate name. Corporations are expected to enter the tournament as hosts when playing as foursomes.

\$650.Single Golfer, includes Lunch, Victory Reception, and Dinner.

\$2,500Host, if payment received by April 1. Host includes sponsorship of one hole or green, four greens fees, prominent listing in the program, signs at the tournament, and appearance on the GWAO website.

\$2,700Host, if payment received after April 1, includes the above.

Corporate Angel Network is the only charitable organization in America whose sole mission is to “maximize cancer patients’ access to specialized treatment, reduce the cost, and increase the ease of travel through the use of empty seats on corporate jets.” Since its founding over thirty years ago, the charity has grown to include more than 500 major corporations (including half of the Fortune 100), flies between 250 and 350 cancer patients each month, and has flown more than 35,000 cancer patients to life-saving treatment since 1981. A team of 50 part-time volunteers and six paid staff work with patients, physicians, corporate flight departments, and leading treatment centers to coordinate the medical travel needs of cancer patients with the scheduled flight activity of participating corporations.

www.CorpAngelNetwork.org

Veterans Airlift Command provides free air transportation to post-9/11 combat wounded and their families for medical and other compassionate purposes through a national network of volunteer aircraft owners and pilots.

Since its inception in 2006, the VAC has recruited over 2,000 aircraft owners and pilots across the country and coordinated flights for some 7,000 passengers over 3.5 million miles with a staff of three.

Our volunteers report that serving these wounded heroes ranks at the top of their flying experiences. Our passengers are simply amazed that this kind of care and personal attention is freely given. This is a mission where love for flying can be combined with individual involvement in a very uplifting charity (we call it “pay back”).

They’ve got heart. They need wings!
